

VOLUNTEER LIABILITY RELEASE FORM

*Volunteer Liability Release and Indemnification Form for Participation in the "Pedestrian Bridge"
Wooden Bridge Treatment at Karwick Nature Park & Cheney Run*

Date: _____

In consideration of my desire to serve as a volunteer in efforts to be conducted by the Trail Creek Watershed Partnership (TCWP) for the maintenance and repair, including by applying appropriate treatments and coatings, of the wooden pedestrian bridge over Trail Creek from the Karwick Nature Park to the Cheney Run Wetlands (Project); I hereby assume all responsibility for any and all property damage or bodily injury that I may sustain while participating in any voluntary effort of any nature, including, but not limited to, the use of supplies, materials, tools, and equipment provided by others, and being on the premises of the City of Michigan City (City) or the Michigan City Sanitary District (MCSD), in connection with or in any way related to the Project.

Further, I, for myself and my dependents, heirs, executors, administrators, and assigns, hereby release and discharge the City, MCSD, and the TCWP, and their officials, officers, directors, employees, agents, and volunteers (Released Parties), and agree to indemnify them, from any and all liability and claims which I or my dependents, heirs, executors, administrators, and assigns may ever have against any of the Released Parties for, on account of, by reason of, relating to, or arising in connection with any such volunteer efforts, or my participation therein, and hereby waive any and all such claims.

Further, I expressly agree that this release, waiver, and indemnity agreement is intended to be as broad and inclusive as permitted by the law of the State of Indiana, and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

I currently have no mental or physical condition that would impair my capability to fully participate in the volunteer activity for the Project. I have viewed the pedestrian bridge and its location and am aware of the materials, supplies, tools and equipment I may be using as a part of my volunteer efforts on the Project, and am aware of the risks injury or harm to which I may be exposed.

Further, I have carefully read the foregoing release and indemnification and understand the contents thereof and sign this release as my own, free act.
